1. GENERAL PROVISIONS

- In our activities, we undertake to follow all laws and other legislation, including, but not limited to: anticorruption, social responsibility, human rights and freedoms and child rights protection requirements.
- We follow the requirements of the Code through the communication with each other as well as with our suppliers, contractors, business partners, state and municipal institutions and society.
- In situations where the Code does not establish the appropriate standards of conduct, we act in such a way that our behavior would correspond to the society the highest reliability, integrity and transparency standards accepted in the society.

2. RELATIONSHIPS WITH THIRD PERSONS

- “CEDRUS” communicates with various interested parties: employees, potential employees, shareholders, customers, partners and state institutions.
- We have undertaken to act ethically and responsibly. Responsibility is our key provision communicating with customers, partners, colleagues and employees.
- Our business decisions and actions are based on the principles of the greatest benefit to “CEDRUS”, customers and shareholders.
- To ensure the highest quality of freight services, we evaluate all possibilities and offer our customers only those solutions that meet their needs best.
- We develop the culture of quality; continuously improve the freight services and management solutions.
- The main indicator of our success we consider the best feedback of customer our transportation services.
- Main capital of “CEDRUS” is professional, attentive, responsible and dedicated employees. We raise high professional and ethical requirements for all working in the company; we value honesty, loyalty and initiative.
- We follow the highest professional and ethical standards accepted in the society. We guarantee the dignity and respectful behavior for everyone. We respect the right to privacy.
- We are always ready to deal with emerging problems and issue by means of cooperation, but strictly require appropriate execution of commitments or duties as well as liability of responsible persons, if this is not done.

3. SOCIAL RESPONSIBILITY

- The most important values that underpin our daily activities are responsibility, flexibility and agility, continuous improvement, attention to people and environmental sustainability. Principle of our activity is transparent and ethical business.
- We dedicate our strengths and resources:

- a) To help the society where we operate in to grow. We support the social, health, educational and sports projects beneficial to our society.
- b) To assure the motivating conditions that stimulate the development for the people who work with us. We encourage creativity and initiative of our employees, invest in the improvement of professional competences and personal development of employees, we strive to create and maintain the balance of professional and personal life.
- c) We introduce, implement and continuously improve proper environmental solutions that reduce material consumption and save resources. We periodically assess the impact of the company on the environment, plan and introduce the measure for the mitigation of impact on environment.

4. REQUIREMENTS OF CONDUCT

- **Main rules on professional and personal conduct of “CEDRUS”:**
 - The employee must work conscientiously and professionally perform the assigned job functions.
 - The employee must be loyal to “CEDRUS” and represent the interests of “CEDRUS”.
 - The employee must avoid any conflict of interests.
 - All employees in “CEDRUS” should behave tolerantly with each other, regardless of their positions.
 - Within the area of “CEDRUS” and outside “CEDRUS”, every employee must act without discrimination in respect of other employee (sex, race, religion, marital status, age, political opinion, nationality, disability, health, sexual orientation and other cases). All of our Suppliers and Partners must also follow the principles of equal rights.
 - The employees are not subject to any form of restriction of the rights and freedoms of associations and collective negotiation.
 - “CEDRUS” is strongly against the harassment and the psychological as well as physical abuse.

- Each employee of “CEDRUS” is enabled to submit a complaint on discrimination, harassment, psychological and physical abuse. The complainant is received and considered by the Trust persons appointed by the Board of “CEDRUS”. Anonymous complaints can be submitted when meeting with Trust persons or by e-mail: vilnius3@cedrus.lt.
- The employees shall save all property of “CEDRUS” necessary for the performance of their work, but shall also take the necessary steps to prevent illegal use, damage or theft of the property.
- All employees of “CEDRUS” must pass regular examinations of their health.
- By their appearance, language and behavior, the Employees must set a good example herewith following the generally accepted rules of conduct.
- An employee must not arrive at work under the influence of alcohol, drugs or other strong drinks.
- **Gifts and hospitality**
 - We only accept the business gifts common in business practice. The employees must inform their line manager about the accepted gifts, except for low-value souvenirs (up to EUR 15). Accepted gifts are the possession of the Company and shall be kept in the space provided in the premises of the Company.
 - We accept invitations to free events, entertainment and free meals only if there are substantial business reasons. Before accepting an invitation to such events, the representative of “CEDRUS” shall assess whether it is not aimed at making any illegal effect.
 - Representatives of “CEDRUS” shall give only symbolic gifts to third parties intended for the improvement of “CEDRUS” image. “CEDRUS” is strongly against any gifts and giving or offering any payments if they are not intended or may be understood otherwise than improvement of “CEDRUS” image.
- **Support**

- We do not sponsor any political parties, political organizations or politicians, and strive to ensure that the support is not used to finance any political parties or political campaigns and political campaigns as well as to refund any debt liabilities resulting from political campaigns of participants or related to political campaigns.
- **Information of “CEDRUS”**
 - We ensure that all the information that we provide to each other and third parties is correct and corresponds to the facts. Representatives of “CEDRUS” must not provide, register or record any misleading or purposefully incomplete information.
 - We ensure that confidential information of “CEDRUS” as well as the information entrusted to “CEDRUS” is not disclosed to third parties. Confidential information shall be transferred to persons entitled to receive such information only to the extent necessary to fulfill their functions.
 - We disclose all the information, which must be disclosed pursuant to the legislation and other requirements applicable to “CEDRUS”.
- **Environmentally-friendly and natural resource saving environment at the workplace**

Each employee of “CEDRUS” shall take care of ecology and conservation of natural resources at the workplace as follows:

- Shall sort the waste into special containers;
- Shall put improper waste office paper into special cardboard boxes and shall hand over to the bureau administrator after filling them;
- Shall save water and electricity in order to reduce energy consumption;
- Shall promote and actively participate in environment protection initiatives.

5. BUSINESS ETHICS

- The management of “CEDRUS” and contact persons of “CEDRUS” have been trained and are well aware of business ethics of “CEDRUS”.
- **Reliability of documents.** All documents related to “CEDRUS” as well as records and reports shall be accurate, clear and reliable.
- **Corruption.** Corruption in this Code is understood as any activity misusing the power entrusted by “CEDRUS” for personal gain.
 - We do not tolerate Corruption in any of its forms, and shall undertake to fight it.
 - We strive that the anti-corruption policy requirements of this Code would be followed by all our suppliers, contractors, subcontractors, electricity producers, users, consultants, agents and other persons acting on behalf of “CEDRUS”, beneficiaries as well as other business partners.
 - We make every effort to ensure that the money paid to third parties such as agents, partners, vendors and consultants would not be used for corruption.
- **Bribery.** Bribe in this Code is understood as offering, giving, permission to give, request, acceptance or receipt of financial or other benefit in order to encourage wrong execution of functions or imposition of person’s position. Bribe shall not necessarily mean the bribe in terms of money.
 - We do not directly or indirectly offer, give and allow giving, requesting, accepting or receiving a bribe, including through any third party.
- **Imposition.** We do not tolerate any imposition of the duties performed. Labour, financial, material resources, internal and confidential information provided by “CEDRUS” may be used only for the performance of direct duties, except for the cases where such use is expressly regulated by “CEDRUS” in writing.

We always inform the relevant State institutions in case of the fact of giving or taking a bribe, corruption and bribery.

6. CHILDREN’S LABOUR AND YOUNG EMPLOYEES

- **Prevention of children’s labour.** “CEDRUS” follows all requirements of the Convention of the United Nations on the Rights of the Child (1989) and is strictly against any children’s labour. We do not tolerate children’s labour neither in “CEDRUS” nor in companies of suppliers, customer or partners. If we become aware of the fact that suppliers or partners use the children’s labour, in all cases we inform the appropriate State institutions.
- **Young employees.** “CEDRUS” supports the legal employment of young Employees. We ensure that young Employees are employed in accordance with applicable laws, and shall protect them from any participation or work, which, according to the circumstances or nature of the work can harm their health, safety and morality. Employment of young Employees takes place only according to the legislation, regulating the employment of persons under 18 and their working conditions, of the country where the employment is performed.

7. EXECUTION OF THE CODE

- The management of “CEDRUS” shall be responsible for the implementation of the Code and shall perform regular checks of its content and compliance.
- The duty of each director is daily consolidation of the Code and supervision of its compliance. Each representative of “CEDRUS” must work in accordance with this Code and is encouraged to inform of its potential violations.
- If any action non-compliant with the Code provisions have been determined, we immediate take disciplinary measures, including dismissal, removal from office and (or) the termination of contract.
- All interested persons are encouraged to report violations of the Code and apply to their line manager, one of the company directors or persons responsible for the control of the implementation of the Code. Regardless of the manner of such reporting, all reports on the possible violations of the Code submitted in good faith will be quickly, fairly and thoroughly investigated invoking appropriate assistance from internal and (or) external sources.
- “CEDRUS” will take all measures to protect all persons who reported the violation of the Code from potential retaliation or other negative consequences.
- None of the provisions of this Code shall be considered legal obligation of “CEDRUS” against third parties, as well as may not be used by third parties as a basis for legal liability against “CEDRUS”.
